MELAMINE FREE CERTIFICATE

This is to certify that the Dum Dum Lollipops, Saf-T-Pop Lollipops, Candy Canes and Circus Peanuts manufactured by Spangler Candy Company do not contain Melamine.

All of Spangler Candy Company products are made using ingredients that are manufactured in factories located in the United States and under the control of the United States Food and Drug Administration.

None of the products Spangler Candy manufactures use any form of milk or milk products.

There are no protein ingredients added to Spangler products.

Spangler Candy does not purchase any ingredients manufactured in China.

Sincerely

Spangler Candy Company

Patrick L. Hurley  
Director-Technical Services
