MELAMINE FREE CERTIFICATE

This is to certify that the Dum Dum Lollipops, Saf T Pop Lollipops, Candy Canes and Circus Peanuts manufactured by Spangler Candy Company do not contain Melamine.

All of the products that are manufactured by Spangler Candy Company are manufactured using ingredients that are manufactured in factories located in the United States and under the control of the United States Food and Drug Administration.

The Citric and Malic acid is manufactured and purchased from a facility in Canada.

None of the products Spangler Candy manufactures use any form of milk or milk products.

There is no protein ingredients added to the Spangler products.

Spangler Candy does not purchase any ingredients manufactured in China.

Sincerely

Spangler Candy Company

Patrick L. Hurley
